NEW BUSINESS

Brief PowerPoint presentation on the Impact Fee Program. This program will present the current status of the program and explain the steps towards program implementation.

AGENDA

1. Establish the structure and procedures of the Capital Improvements Advisory Committee. To efficiently conduct business, an organizational structure and procedures for agenda item review, voting and documentation needs to be established. Since this group maintains interests similar to the Traffic and Parking Commission, the group structure, the nature of the agenda review, voting, documentation and advisory committee process can also be similar to this group.
2. Approval of Land Use Assumptions presented in report form by Duncan & Associates dated July 15, 2002.
